

SASKATCHEWAN TEACHERS:

ARE YOU LOOKING FOR A UNIQUE PROFESSIONAL DEVELOPMENT OPPORTUNITY THIS SUMMER?

We are looking for you!

The Saskatchewan Mining Association (SMA) is **Exploring for Educators** interested in learning about Saskatchewan mineral resources and related links to curriculum.

GeoVenture Program Highlights include:

- ✓ ½ day introductory workshops & presentations
- ✓ Flights & site tour of uranium mining operation
- ✓ Site tours - conventional underground potash mine
- surface solution potash mine
- ✓ Site tour of coal mine
- ✓ Field stop at Potash Interpretative Centre & SK sites of geologic interest
- ✓ Free curriculum – correlated resources
- ✓ Great networking opportunity

“This was by far the most enjoyable most educational and most rewarding professional development activity I have ever been a part of, What a great opportunity!”

Cost: This trip is **FULLY SPONSORED** by the SMA (all travel, accommodation and meal costs during the trip are covered). If you are selected to participate, your only cost is a \$50 registration fee.

Application: Send an email explaining why you are interested in this opportunity! Be sure to include your teaching background (# of years, grade levels, subjects) and both your school contact (name, city, address, email) & personal contact information (cell, email) to Education@saskmining.ca

Deadline: June 16, 2023

Space is limited to 24 participants. Start/end location is Sandman Hotel, Saskatoon South.

Visit www.saskmining.ca for additional information. Check out the Educators [2022 GeoVenture blog](#).
