

## Mining makes a real difference.

Minerals and metals are essential to our daily lives. It's difficult to imagine a world without them.

### Did you know we use:

<b>Coal</b>	Electricity, char briquettes, activated carbon
<b>Uranium</b>	Clean Electricity, Cancer Treatment
<b>Potash</b>	Fertilizers, Computer Screens, Rocket Fuel
<b>Gold and Platinum</b>	Jewelry, Electronics
<b>Diamond</b>	Jewelry, Cutting and Grinding Tools
<b>Sodium Sulphate</b>	Detergents
<b>Clay, Meta-Kaolin</b>	Porcelain, Pottery, Bricks, Concrete
<b>Silica Sand</b>	Glass, Water Filtration
<b>Bentonite</b>	Cat Litter, Drilling Mud, Sealant
<b>Salt</b>	Water Softener, Food Flavouring, Ice Melting
<b>Zinc</b>	Batteries, Sunscreen, Anti-Corrosion, Paint
<b>Copper</b>	Wire, Electronics, Antimicrobial Applications
<b>Rare Elements</b>	Magnets in Electronics, Lasers
<b>Nickel</b>	Steel, Batteries, Magnets
<b>Cobalt</b>	Batteries, Electroplating, Cancer Treatment

Mining is... Rewarding,  
Technology, Opportunity,  
Community, Sustainable >>>

It's time to explore >>>

## A career in mining look what you can earn!

(Ranges represent progression from junior – senior levels and do not include overtime; management levels in each category would be higher)

<b>Safety Environmental and Health Professionals</b>	<b>\$55,000 - \$140,400</b>
Environment, Safety and Radiation Technicians, and Officers, Health and Safety Coordinators.	
<b>Trades</b>	<b>\$86,000 - \$116,000</b>
Welders, Industrial Electricians, Industrial Mechanics/ Millwrights, Heavy Duty Mechanics, Power Engineers	
<b>Technologists</b>	<b>\$53,000 - \$132,000</b>
Instrumentation, Engineering, Geoscience, Chemistry, Drafting, Lab	
<b>Material Handlers</b>	<b>\$65,000 - \$85,000</b>
Warehouse Person, Warehouse Supervisor, Ore Handler	
<b>Mine Operators</b>	<b>\$65,000 - \$112,000</b>
Mine Helper, Hoist Operators	
<b>Production and Mill Operators</b>	<b>\$65,000 - \$112,000</b>
Process, Production and Mill Operators	
<b>Mineral and Metal Processing Supervisors</b>	<b>\$88,000 - \$148,000</b>
Process Foreman, Mill Supervisor, Lab Supervisor	
<b>Business Professionals</b>	<b>\$52,000 - \$124,000</b>
Human Resources, Community Relations, Accounting, Procurement, IT, Legal	
<b>Engineering, &amp; Science Professionals</b>	<b>\$63,000 - \$147,000</b>
Mechanical, Chemical, Mine, Environmental Engineers, Geoscience, Environmental Sciences
