Suggestions on How to Prepare a Presentation

! Do not use the SMA design of this presentation!

Saskatoon, Saskatchewan October 29-30, 2025

○ *Mining... GREAT for Saskatchewan!*

Introduction

- Presentations for the SMA Environmental Forum 2025 must be prepared in MS PowerPoint
- Presentations must be in **widescreen (16x9)** format
- This presentation is a sample template
- You are kindly asked to consider it when preparing your presentation; however, presenters may prepare their presentations according to their needs

Start

- Decide on presentation design
 - Choose your company/organization presentation template or
 - Create your own
- Do not use the SMA design of this presentation

A Few Tips

- Keep It Simple
- Keywords only
- Minimize the use of sentences
- Refrain from simply reading your slides, talk freely
 - no one appreciates a talking PowerPoint Head 😊
- Conclude with a **Take Home Message(s)**

○ Mining... GREAT for Saskatchewan!

Instructions

- Maximum length of presentation is 30 minutes (20-25 minutes presentation, 5-10 minutes for questions/transition to next speaker.
- Please be respectful of the time constraints as other presenters have interesting presentations as well.
- You must submit your presentation to Brad Sigurdson at bsigurdson@saskmining.ca
- The deadline for submission of the presentation in PPT/PPTX format is **Wednesday October 22, 2025**. Submission prior to this date is encouraged and changes to submitted presentations will be allowed until the above deadline.

Conclusions

- Presentations will be posted on the SMA website as unedited presentations in PDF format by December 2025. The Programme Committee acknowledges that some presented information may be provided by a third party, and as such, the SMA will accept presentations that have been modified from their originally presented form, **where authors receive prior approval from the SMA from Brad Sigurdson at bsigurdson@saskmining.ca**. All other presentations will be posted on the SMA website as presented at the forum.
